Fall Regional Meeting – Survey Results

During the Fall in-person regionals we polled the attendees on alternate meeting times and results showed:

Would you like an option for the Fall in-person Regional meeting be held during the day?

Would you like an option for the Spring VIRTUAL Regional meeting be held during the day?

Time frame: Fall Regional Meeting (select up to 2 options):

Time frame: Spring Regional Meeting (select up to 2 options):

The coordinating center is considering adding different times to both rounds of meetings, virtual and in-person, based on the feedback we have received.

APP Recruitment Update & Info

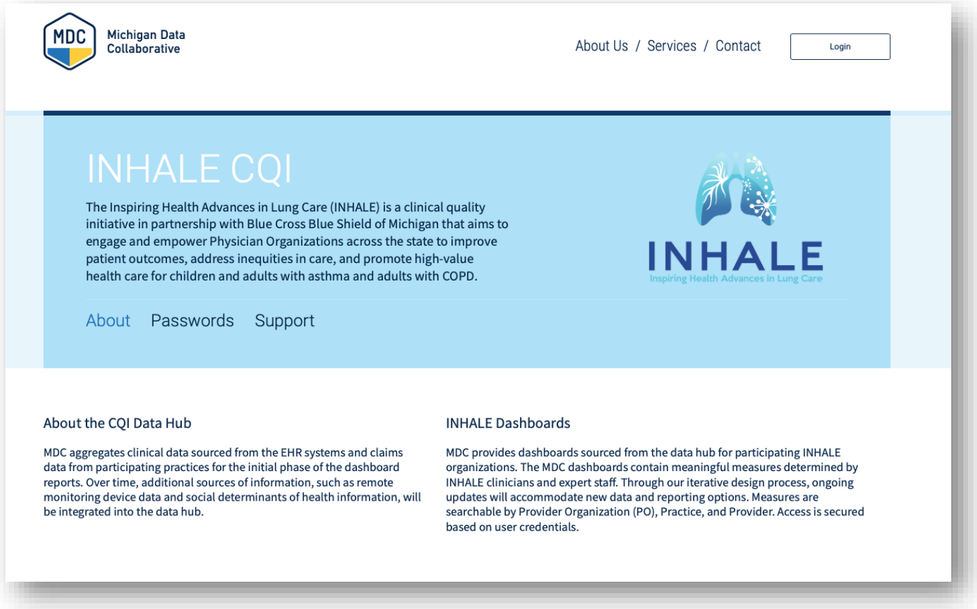
- APP lists are in the Admin Portal for review
- APPs are attributed by practice from the PGIP file
  - This **cannot be changed** by INHALE
- This year it affects the measurement year data from 9/1/26 through 8/31/27
  - Will be used to calculate performance aggregated at the PO level
- Awaiting information from BCBSM if APP incentive
- No additional participation activities required unless have a designated role as Clinical Champion
  - APPs are encouraged to attend an L3

MDC Data Dashboard Login – Q1 Due Soon!

Q1 Reminder: Dashboard Review

- Q1 (September–November) is ending soon. Please remind your practices to log in and review their dashboard data by November 30.
- Task completion is updated manually in the Admin Portal each month. Please allow time for these updates to appear.

Scan to access the Login page for MDC!



Inhaled Medication Devices Video & CME

Do members of your care teams need an inhaler education refresher?

INHALE has a video for that!

Find it in the Members Hub under the INHALE Learning Courses.

https://inhalecqi.org/course/inhaled-medication-devices/

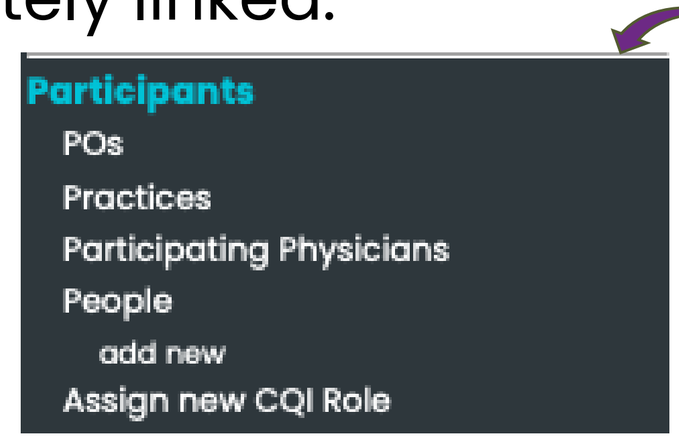
Admin Portal Housekeeping Request

- We've recently come across issues with having incorrect contact information for our participants. Please ensure that the email addresses are accurate at the PO and Practice levels within the Admin Portal.
- Update the CC via email as soon as possible with any changes to provider or practice participation to ensure contact information, tasks and scores are accurately linked.



Contact information can be updated under the 'Participants' section of the main menu on the Admin Portal. Please reach out if you are having trouble accessing it.
