INSPIRING HEALTH ADVANCES IN LUNG CARE

VBR and Performance Measure Tools for Success

- Review all VBR Information relevant to your PO/Practices
  - Scorecards, timelines and potential schedule of VBR activity completion
- Review PDSA Worksheet documents
  - Printable worksheet, instructions, rubric, and example PDSA
- Review and download patient and provider resources from our Toolkits and Resources pages
- Log in to the Data Dashboard regularly
  - Encourage your practices to obtain accounts to check their performance progress
  - Review the User Guide for assistance with navigating the dashboard – the guide found in the dashboard is usually the most up to date
  - Review the Access & Set Up Guide for accessing the dashboard
- Check the Admin Portal for score updates and VBR progress tracking

Data Dashboard VBR Tracking Tip

1. Select Physician Organization. Select from the dropdown list.
2. Select Practice. Select from the dropdown list.
3. Show Results By. Select one of the following radio buttons: None, PO, Practice, Population, Specialty Type, or Participation Date.
4. Show Collaborative Results. Click to check or uncheck the True checkbox.
5. User Login Report button in the bottom right corner is visible only to PO users.
6. Click the button to view the user login stats for your organization.
7. To download the report, click the download icon in the bottom right corner of the screen and select Download Crosstab, and PU User Stats, then Select Format (CSV or Excel), and click Download.

Learn more about how to navigate the Data Dashboard here – INHALE CQI User Guide

INSPIRING HEALTH ADVANCES IN LUNG CARE

Data Dashboard Update

- A data dashboard refresh will occur April 30th
  - Includes data through February 2025

New Dashboard Features as of February

- Trend graphs for **ALL** current INHALE measures

- Separate VBR tracking tab that will include the OCS 2+ measure
  - POs can check on progress toward achieving their 10% relative reduction target

L3 Registration

Registration

- Registration for the events will occur in the Admin Portal. Recordings of each event will be added to the INHALEarning Platform for on-demand viewing, but CME will not be offered for this series of recorded L3s.
- Register Here or by going to the Admin Portal and clicking L3 Registration Form on the side menu.

Next Presentation
May 6th @ noon (moved from April)
Dr. Wanda Phipatanakul – Role of Biologics in Pediatric Asthma

Reminder: All INHALE participating providers must attend 1 of 6 live events or watch any available L3 on-demand in the INHALEarning Platform for 2026 Participation VBR. If a physician chooses on-demand viewing to earn VBR credit, they must choose a module labeled '**Lung Learning Lab'** and complete the '**VBR Credit Form'** to record their participation in the module.
