

2024 Fall Regionals

DID YOU KNOW?

We are excited to announce a **Pediatric focused** regional meeting this fall on **October 16, 2024**. Based on your feedback, we have made this meeting an option for your required attendance. If you choose to attend the Pediatric focused meeting, it will count as your attendance in place of the meeting that your PO was originally assigned to attend.

We look forward to your participation!

INTERESTING FACT

An email was sent out on July 10th to inform you that registration is now open.

We assigned POs by date, but please note that if you are unable to attend on the date we have listed for your PO, you may register for the date that works best for your schedule.

Schedule:

- 5:30 - 6:00pm: Registration & Dinner
- 6:00 - 8:00pm: Regional Meeting

In-person attendance is required by Practice Level Clinical Champions (Cohort 1 and Cohort 2).

AAFA is committed to reducing the costs of asthma and allergy medications, including inhalers. We recognize that the high cost of these medicines can be a significant barrier to effective treatment.

In response to this issue, several major asthma inhaler manufacturers have announced a \$35 monthly cap on out-of-pocket costs. This price cap will benefit individuals with commercial / private insurance as well as those without insurance.
