

INHALE

Monthly PO Update

8/12/24 & 8/14/24

Agenda

- Announcements & Reminders
- Medication Updates
- 2025 VBR Update
- Scorecards for 2026 VBR
- Site Visits
- 2025 Tentative Meeting Schedule

Announcements & Reminders

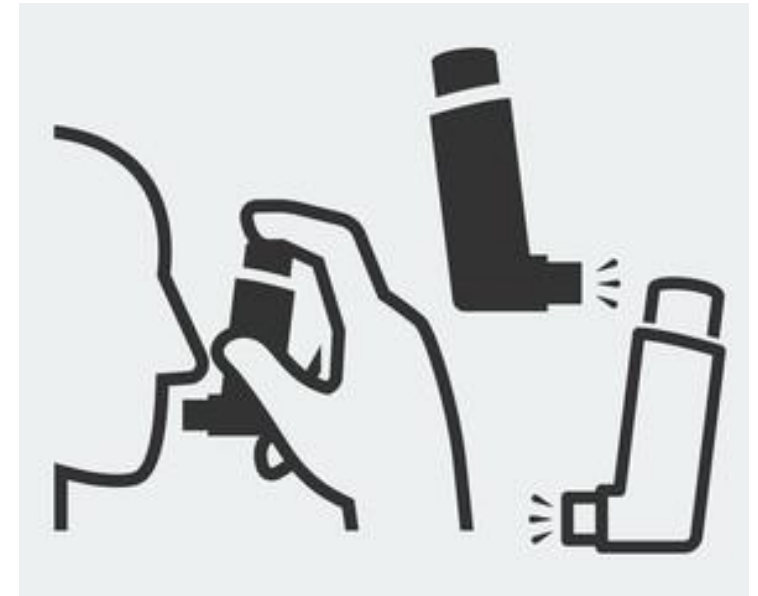

- Regional Meeting Registration
 - Please remember to register in the admin portal.
- If unable to attend assigned meeting, please select a different date.
 - In-person attendance is required by Practice Level Clinical Champions
 - If registering for the Peds meeting, only need to attend 1 meeting.

Symbicort moved to generic tier

- Commercial BCBSM patients
- Pricing for generic started 8/1/24
- Generic Breyna is now no longer covered

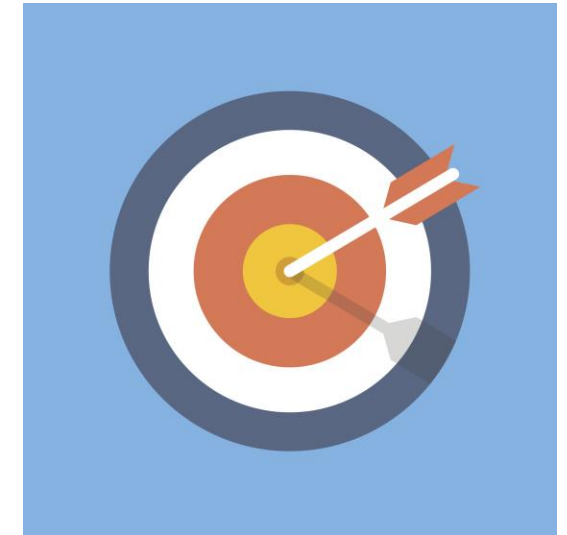

2025 PCP/SCP VBR Update

2025 SCP/PCP VBR Update

- Performance Measurement Period (Inhaler Ed):
 - Changed from 8/31/24 to 10/31/24
- No change in Participation measurement period end date (8/31/24).
- Scorecard total of 105% is now split:
 - 103% CQI VBR for the Participation measures
 - 102% CQI VBR for the Performance measure
- Target to **improve by 5 percentage points** from baseline
- No change to Tobacco Cessation VBR (102%) ending 8/31/24

2025 SCP/PCP VBR Update

- Reminder: Ensure all participation activities completed!
- Remind providers to complete L3 requirement and submit survey:
 - The Admin Portal survey is required for credit!
 - CME is still available through Beaumont

REMINDER

For SCPs to be eligible to receive VBR 3/1/2026:

- Specialists must be in the *January 2025* PGIP Snapshot, *July 2025* PGIP Snapshot **AND** *January 2026* PGIP snapshot
- However, to be eligible for *future* specialist CQI VBR (effective starting with 2026 VBR, starting reimbursement date of 3/1/2026), practitioners must be in each of the 3 below PGIP snapshots.

Snapshot	Date (i.e., 2026 VBR)	Verifies
1 1st Winter	January 2025	<ul style="list-style-type: none">• 1-year engagement with PGIP
2 Summer	July 2025	<ul style="list-style-type: none">• Continued PGIP engagement• PO alignment for scoring
3 2nd Winter	January 2026	<ul style="list-style-type: none">• Continued PGIP engagement• Checks PO alignment again – so if switched POs, we share VBR results with the <u>new</u> PO although based on prior PO performance

- This affects all SCPs who are currently participating and will be recruited this fall.

2026 Scorecards

2026 PO Scorecard:

- Cohort 1 = Continuing POs/Providers(Blue)
- Cohort 2 = Onboarding POs/Providers (Green)
 - JHN, Genesys, PCP
- Measurement Period: 09/01/2024 - 08/31/2025
- Worth a total 100 pts

2026 Continuing PO Scorecard (Participation)

INSpiring Health Advances in Lung Care (INHALE) Collaborative Quality Initiative Continuing POs				
Measurement Period: 09/01/2024 - 08/31/2025 (unless specified otherwise) PGIP Reward Payment Dates: January 2026, July 2026				
Measure #	Weight	Measure Description	Points	
1	33%	PO Practitioner enrollment - related to enrollment of existing practitioners and recruitment of new practitioners during the measurement period. PCPs (primary care physicians) and SCPs (specialist care physicians - allergists and pulmonologists) PCPs must be PCMH designated	50

INHALE is launching site visits in 4Q24 and 2025:

- Practices/POs contacted or may volunteer for an in-person site visit.
- Aims include sharing best practices, identifying efficiencies, education and including a post-visit summary report with recommendations.
- Targeted time would be 1-3 hours but is flexible.
