

INHALE Learning Platform

Login and Registration Instructions

<https://inhalecqi.org/registration-login/>

INHALE is committed to providing ongoing learning opportunities for the medical professionals who care for patients with Asthma and COPD. By logging in and completing activities, you can earn Continuing Medical Education (CME) credit. However, if you don't need CME credit, videos are freely available in our [Resource Library](#).

The platform will be used to track the completion of various participation requirements for INHALE. For questions about VBR requirements and how to complete them, please reach out to the INHALE coordinating center team at inhale-support@med.umich.edu.

Use the following instructions and links below to access content and to set up your account.

New Users

Step 1: Use the “Register New User” button to create a new login. You only need to complete this step once.

Returning Users

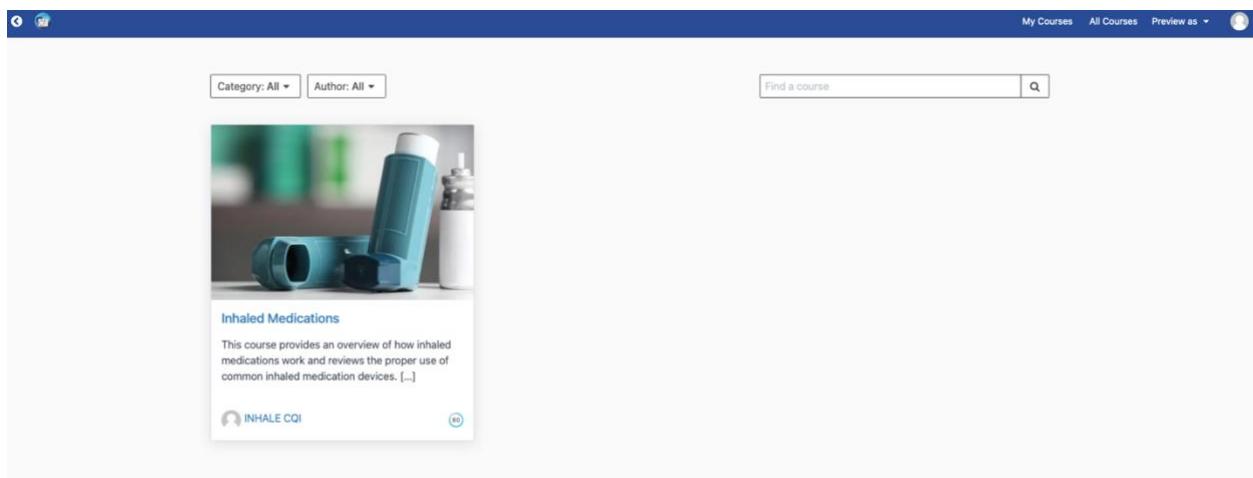

Step 1: Login using the “Login Now” button on the INHALE website.

Login Now

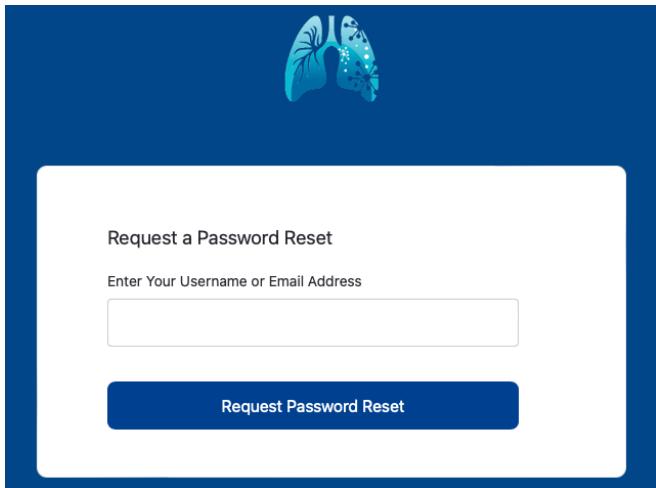

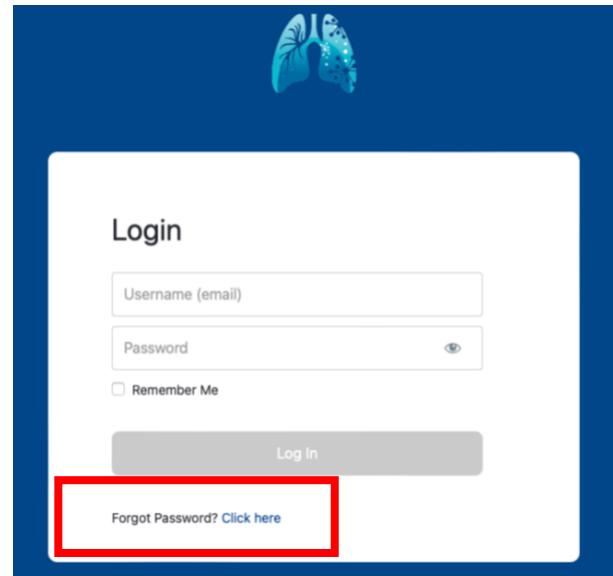

Step 2: You will be taken to a login page, use your already created Username (email) and Password. There is an option to check 'Remember Me' so that you are automatically logged in the next time you want to access the platform.

Step 3: Once you’re logged in, you will have access to all available courses.

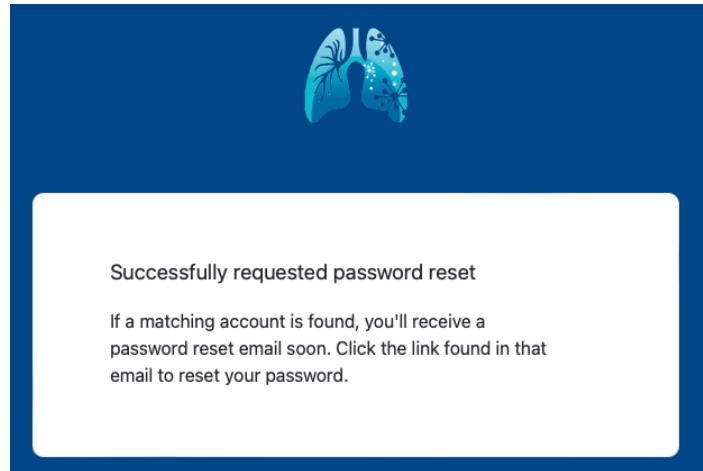

A screenshot of the INHALE course catalog. The top navigation bar is dark blue with white text and icons. Below it, the main content area has a light grey background. At the top left are two dropdown menus: "Category: All" and "Author: All". To the right is a search bar with the placeholder "Find a course" and a magnifying glass icon. The main area displays course cards. The first card, titled "Inhaled Medications", features a photo of a blue inhaler and a white bottle. Below the title is a brief description: "This course provides an overview of how inhaled medications work and reviews the proper use of common inhaled medication devices. [...]". At the bottom of the card are two small icons: a person icon and the text "INHALE CQI".

Resetting Your Password

Step 1: For users who have forgotten their passwords, on the Login page, click the link to receive a password reset email.

Step 2: A new screen will open prompting you to enter your email address used for the account. Then click the Request Password Reset button.
