

**TOBACCO CESSATION ATTESTATION
EXAMPLE CHARTING TEMPLATE (EPIC):**

We had a prolonged discussion today, regarding tobacco cessation, the importance of continuing to pursue this aggressively, and strategies to increase the odds of success.

In the past, there have been *** attempts to quit and success {WAS/WAS NOT:24621} sustained for {0-12:34805} {days/wks/mos/yrs:310907}. Relapses were attributed to {Symptoms; fatigue stress related:14008}, {Psych stressors:31918}, ***.

She/He/They is/are currently {using/has/***:43035} used the following in their cessation strategies; {Treatments; tobacco quit:16441}.

After discussing treatment options with {him her:35361}, we decided on {BG Medications for tobacco cessation:31015::"Nicotine patch"} as pharmacotherapy to support this quit attempt. I emphasized the proper use of these medications to maximize their benefit, while reducing the potential for side effects. I emphasized the need to plan ahead of time, for a constructive way to respond to stressful events, as this is often a prelude to relapse.
